

SHORELINE

CHRISTIAN SCHOOL

MILK ORDERS

2017 - 2018

We will be operating our school milk program again this year. If you wish to order milk for your child(ren) please do so by completing the form below (indicate chocolate or white milk preference). Please return the form and payment with your student the first week of school. The price for milk for the **entire year is \$50.00** (about 28¢/day). Opportunity will be given in February to add or drop your milk order for the second half of the year. Children remaining in childcare for the lunch hour may order milk in the same way, please mark "childcare" on the form.

Your student may be eligible for free milk, depending on your family's income. The income chart and "Application for Free Milk" will be included in the Charger News in September. Please return the Application for Free Milk to the school office with your milk order if your family qualifies. This information will be kept confidential. Contact the school office if you have any questions.
