

ALL-SCHOOL INFORMATION

The following information pertains to families with students at all grade levels. Please read the following information carefully, and contact the school office if you have any questions.

Welcome to a New School Year at SCS!

Calendar

The most up-to-date version can always be found at www.shorelinechristian.org/calendar. There are a few events that we want you to take note of right away! Please put these on your calendar.

Preschool and Pre-K Preview

All Preschool and Pre-K families are invited to join us on Thursday, August 23rd, from 10am - noon or from 4:30pm - 6:00pm. At this meeting you will meet your child's teachers, learn details about the upcoming school year, and receive the remaining forms and paperwork required by the school. Your child is welcomed and encouraged to come. In order to ease the transition on the first day of school, please take a look at the supply list below and additional items that will be emailed to you by the beginning of August. Please bring these items with you to the Preschool Preview. If you are unable to attend Preschool Preview, you may bring these items along with your completed forms on the first day of school (Monday, August 27th).

Elementary Preview

Elementary Preview for grades K-5 is back again this year on August 23rd from 4:30pm to 6pm. Come visit your classroom, meet your teacher, drop off your school supplies and get a sneak peek at the year to come.

Teacher Meet & Greet and All-School Family Picnic

All SCS families, from preschool through twelfth grade, are invited to join us for our Teacher Meet and Greet at 5:30pm on Friday, September 7th, followed by our Annual Family Picnic at 6:00 pm. This is a wonderful evening that offers opportunities to greet old friends and meet new families. We'll be gathering on campus by the amphitheater, so bring a blanket or lawn chairs for seating. The school will provide hot dogs and buns, condiments, plates, napkins, and utensils. **Please bring a salad (last names beginning K-Z) or dessert (last names beginning A-J) to share, enough to serve 10-12 people.**

Emergency Information

It is essential that the office has current contact/emergency information for all our students.

Please let the office know if you have made any changes since you filled out the registration paperwork last spring, including phone numbers, email addresses, and mailing addresses. If at any time during the school year any contact information changes, please update this information with the office as soon as possible.

Inclement Weather and Flash Alert

The best, fastest way to be notified of school closures or changes in schedule due to inclement weather is the Flash Alert system. You can register online at <https://www.flashalert.net/>. **Note: SCS decides**

independently of the Shoreline and Seattle school districts if there will be a school closure or late start due to weather. Do not look at district websites for SCS closure information.

Immunizations

Summertime is a great time to take your child(ren) in for required immunizations. Washington State Board of Health is continually changing immunization requirements at all grade levels for students to be enrolled in school. SCS must file a report with the state to verify that our students are up-to-date with their immunizations. If you have questions, please email school nurse Krista Kennedy at schoolnurse@shorelinechristian.org. All immunization updates are due by August 20, 2018.

Preschool and Pre-K: Vaccines required for preschool include Hepatitis B (Hep B), DTaP, Hib, Polio (IPV/OPV), PCV, MMR, and Varicella. Please fill out the required form available from the school office—all immunizations must be up-to-date. If you have questions regarding your child's immunizations, contact your child's physician. Immunization forms are due at the school on or before August 20, 2018. Please get your completed immunization records to the school on time.

Kindergarten: All children attending Kindergarten are required to have completed all immunizations recommended for their age; these include DTaP, Polio (IPV/OPV), Hepatitis B, MMR, and Varicella. Updated DTaP and Polio immunizations are required after 4 years old. If your child has been in preschool, your immunization paperwork likely needs to be updated. Please have all paperwork/physician appointments completed and turned in to the school office by August 20, 2018.

Sixth grade (middle school): The TDaP vaccine is required of children who are 10-11 years old and attending 6th grade. Parents, please go in to the school office to add the most recent date to your student's immunization form or send a note into the school including the student's name, date the immunization was received, and a signature on the note. These updates must be made by August 20, 2018.

Middle School and High School: The State Board of Health has mandated that all students in grades K-12 have two doses of the varicella vaccine.

Milk

Students in grades K-12 and preschool students remaining in childcare may preorder milk for the school year. Students who order milk may choose white or chocolate, and will have an individual milk carton delivered to their classroom each day (PS-5) or can pick it up from the office (6-12) at lunch time. Milk for the school year is \$50 per student (about \$0.28 per day). You will be given opportunity in February to add or drop milk.

To order, please fill out the order form and return it to the school office *no later than* the first week of school. Your student may be eligible for free milk depending on your family's income. The income chart and "Application for Free Milk" are available from the accounting office.

Renweb/ParentsWeb

Renweb is our Student Information System and school management software. Re-enrollment is completed each spring through Renweb. Parents can log into their ParentsWeb account using the log-in used for registration for your students. Important documents are available through the Resource Documents page in ParentsWeb. Middle school and high school families can check their student's grades, homework assignments, and attendance records through ParentsWeb.

You will need the district code to log in to ParentsWeb. **The District Code is SCS-WA.**

Google Classroom

We will be continuing our use of Google Classroom in grades Preschool-12 as the hub for classroom announcements, upcoming assignments, and missing work. If you are a returning student, your login information will be the same as last year. At the start of school, new students/parents will be given a log in to a Google Classroom account by the Technology Integration teacher Jeff Miller.

Shoreline Christian School Society

Shoreline Christian is owned and operated by the Shoreline Christian School Society, a non-profit corporation. Membership is comprised of many parents and others interested in Christian education. Society members elect the School Board, which makes policy decisions, hires the Head of School, and recommends the annual budget to Society members for approval.

The SCS Society hosts three All Parent Meetings during the school year, attendance is encouraged. The first meeting will be on September 17th at 7:30 pm, look for details in Charger News.

Student Allergies and Medications

It is very important to let the office know of any allergies that your student has and any medication they take for them. We will pass the information along to the classroom teachers. If your student requires having any medication for allergies on campus (i.e. Benadryl, epi-pen, etc.), we will need an Authorization for Medication form, and the medication must be stored in the office. More information about medication is available in the handbook.

ELEMENTARY INFORMATION

The following information pertains to families with students at the Kindergarten through 5th grade levels. Please read the following information carefully, and contact the school office if you have any questions.

First Day Schedule

The school year will begin with an open house starting at 9:30 am on August 27, 2018. Students, parents, relatives, and friends are invited to meet the teachers and acquaint themselves with their new classrooms. Doors will open at 9:30 am and all students should head to their classrooms. At that time, we will gather in classrooms as parents, students, and teacher to ask God's blessing as we begin our 2018-2019 school year. Following the prayer, families are encouraged to join us for the Back to School Praise Service at 10:00am in the Shoreline Christian Reformed Church. Following the service, the students will begin their work and the parents and friends are invited to enjoy coffee and fellowship in the amphitheater (weather permitting). Students will be dismissed at 1:50 pm on the first day of school.

Regular Hours

8:25 am: Warning Bell Rings

8:30 am: Classes Begin

2:55 pm: All-Day K through 5th Dismisses

Drop Off/Pick Up Procedure

Please keep your vehicle under 5 mph when entering and driving in the parking lot. Watch for pedestrians. During pick up and drop off, many parents and children are entering and exiting vehicles, and crossing the parking lot on foot.

Do not enter the "upper" parking lot during pick up and drop off. It too easily gets congested, is difficult to turn around, and difficult to exit when cars are entering the parking lot.

Drop off

Please drop off your child(ren) on the yellow line by the concrete wall in the morning and pull as far forward as possible. This allows us to keep the line moving without blocking other vehicles. Please see map below.

Please unload from the right side of the vehicle. Students who unload from the left side are at risk of walking into traffic.

Please be considerate of the people behind you. Parents and students who need extra help or need some time getting everything collected should park their vehicle in a parking stall. When everything is ready, you may come around again or walk your child to the drop off zone.

Mr. Hopkins is out every morning at 8:00am to assist you and your child. Please let him know if you need any help.

Please park only in the marked parking stalls.

Pick up

Please pick up your child(ren) in front of the church and pull as far forward as you can before allowing kids to enter the vehicle. Please see map below.

Attendance Policy

Our attendance policy is an important part of our program, designed to teach students prompt and regular attendance habits, which will be expected of them outside of the school setting.

Elementary school parents must notify the school office between 8:00 am and 8:45 am if your student will not be in school for the day or will be coming in late. (206.364.7777 or attendance@shorelinechristian.org). You may also call before office hours to leave a message.

All exterior doors are locked at 8:30 am, if your child arrives late please accompany them to the office to be admitted to class.

Absences are recorded in the student's cumulative file and will be reviewed by the Director and/or the Education Committee if the teacher senses that these absences are negatively impacting the student's school work. Please refer to Elementary Parent Handbook for more details; you may request a hard copy from the office.

Childcare

Before and after school childcare hours are 6:30 a.m. – 6:00 p.m. beginning August 27th. Families using childcare *must* register, and will be given more information as the school year gets closer. The childcare closes for federal holidays and for Christmas and Thanksgiving. It is open on school-related closures, such as teacher workdays, teacher conference days, etc. For such days, families will be required to fill out a special registration so that staff/student ratio can be properly calculated. Please check the school calendar for updates.

Please note: there are no early dismissal days in the 2018-2019 school year.

Immunizations

Please alert the school office or school nurse if you have any updates to your child's immunization records. Remember that it is a Washington State requirement that students' immunization records must be on file before they may attend school.

Kindergarten: All children attending Kindergarten are required to have completed all immunizations recommended for their age; these include DTaP, Polio (IPV/OPV), Hepatitis B, MMR, and Varicella. Updated DTaP and Polio immunizations are required after 4 years old. If your child has been in preschool, your immunization paperwork likely needs to be updated. Please have all paperwork/physician appointments completed and turned in to the school office by August 20, 2018.

Medication Administration Policy

Purpose: to provide for the safe administration of prescription and non-prescription medications to students.

Prescription Medications, Administered by the school staff – Oral, inhaled or injectable

(Available to students in grades K-12)

1. If it is necessary for a student to receive oral or inhaled medication which is deemed necessary to be administered by the school during school hours, the medication must be:
 - a. provided in the clearly labeled, unexpired, original container
 - b. accompanied by the completed SCS Authorization for Prescription Medications to be Taken at School form which is signed by the physician/nurse practitioner/ physician's assistant/ dentist/ parent (faxed forms are allowed)
 - c. administered by and logged by an employee designated by the Head of School
 - d. stored in a locked area not accessible to students
2. Injectable Medications – Under normal conditions, no injectable medications are kept on campus. Any conditions requiring administration of injectable medications must be reported to the school during the registration process or as soon as the condition becomes known, so that individual arrangements can be made.
3. Medication will be administered until one of these situations occurs:
 - a. the medication supply is used up
 - b. the prescription expires (if a prescription medication)
 - c. the school year ends
 - d. the parent makes a written request that the medication be stopped
4. It is the student's responsibility to report to the office at the set time to receive medication.
5. Failure to follow the stated policy will result in the medication not being administered.

Non-Prescription Medications, Self Administered by the student – Oral or inhaled

Available to students in grades 6-12. (Grades K-5 must keep all medicines including non-prescription in the office for dispensing.)

1. If it is necessary for a student to receive oral or inhaled medications during school hours which the parent deems may be self administered (non-prescription):
 - a. the administration of the medication becomes the sole responsibility of the student
 - b. a completed SCS Authorization for Self Administration of Non-Prescription Medication form which is signed by the parent or guardian must be provided to the office prior to the self-administration of the medication.
 - c. the medication must be retained by the student for the exclusive use of the student.
2. Failure to follow the stated policy may result in disciplinary action.

MILK ORDERS 2018 - 2019

We will be operating our school milk program again this year. If you wish to order milk for your child(ren) please do so by completing the form below (indicate chocolate or white milk preference). Please return the form and payment by Monday August 20, 2018. The price for milk for the **entire year is \$50.00** (about 28¢/day). Opportunity will be given in February to add or drop your milk order for the second half of the year. Children remaining in childcare for the lunch hour may order milk in the same way, please mark "childcare" on the form.

Your student may be eligible for free milk, depending on your family's income. The income chart and "Application for Free Milk" will be included in the Charger News in September. Please return the Application for Free Milk to the school Accounting office with your milk order if your family qualifies. This information will be kept confidential. Contact the school office if you have any questions.

Dear Parents of Childcare Students:

Welcome to the 2018-2019 school year! If you plan to utilize Before/After Care this year, please take note of the following information. Remember, if you have not yet filled out the childcare registration for the 2018-2019 school year, you *must* do so before your child may attend childcare. This packet is available from me or from the school office.

Each year your child's files are reviewed to comply with our licensing requirements. This year we will make a copy of your child's SCS enrollment information. If there is additional information you wish to add, such as additional persons authorized to pick up your child, please let us know. It is critical that you specify who is authorized to drop off and pick up your child, since we are able to release your child **ONLY** to those persons for whom you have given written authorization. Also, if your child has a severe allergy, we will need you to complete an emergency medical plan. Please see me for this form.

If you are using childcare on a "drop-in" basis, please email the childcare office to ensure that we have space available. Keep in mind that we often fill up on early dismissal days, so be sure to plan ahead and be in touch with us.

If you plan on being gone for a period of time, please notify the childcare staff so we can plan our staffing accordingly. If your child is absent because of an extended illness, please let us know as well.

If your child requires medication at childcare, please check with one of the teachers about the necessary forms to fill out.

Finally, throughout the school year, there are days that school is not in session, but the childcare will be open, please send me an email when you know that your child will attend these extra days. Please include the times your child will attend as well.

We look forward to seeing you and your children!

In Christ's Service,

Amy Hart

Childcare Payment Policy

Childcare will be billed on a monthly basis. All childcare fees are due by the **10th of each month**.

Payments received after the **10th** day of the month in which they are due are delinquent and subject to a minimum late fee of \$25.00 or 1.5% of the past due balance - whichever is greater.

The Nonpayment Policy will be applied after 30 days of nonpayment and is as follows:

- a. After 30 days of nonpayment, the parent(s)/guardian will receive either a letter stating the overdue balance must be paid or arrangements made with the accounts receivable department within 10 days.
- b. After three (3) months of non-payment, student(s) will not be allowed to attend childcare until the account is brought current. Ten (10) days prior to deadline, parent(s)/guardian will be advised in writing of this action.
- c. If the student arrives at childcare, they will be brought to the Administrator's office and wait for their parent(s)/guardian to pick them up.
- d. Satisfactory arrangements for payment of overdue monies will be required prior to readmission. Implementation of this policy resulting in denial of continued enrollment will be deemed a withdrawal from school and reapplication with the Admissions Committee and Accounts Receivable Committee will be required prior to readmission. Additionally, individual credit terms may be imposed as a condition of readmission
- e. A two week notice is needed for early withdrawal, otherwise you will be billed at the monthly rate.
- f. A two week vacation notice is needed in order for vacation credit to apply. Vacation credits will be done on a weekly basis.
- g. No child will be admitted to the new school year unless all monies owed from the previous school year are paid in full.
- h. A fee of \$25.00 will be assessed to an account if a "non-sufficient funds" check is returned to the school by the bank.

We have been presented the 2018-19 Proposed Childcare Fees and Payment Schedule. We hereby agree to the payment schedule and policies as set forth on this pledge form. We further agree to have our name(s) included in the Parent Directory.
